

STUDENT RECYCLING CONTEST

CONTEST DETAILS

There are two parts to this contest. In order for your entry to qualify, you must complete both parts.

PART 1 - TAKE ACTION!

Do something to improve recycling in your community, home, or school! There's a variety of ways you can do this:

- Take on the duty as the main recycler in your household
- Organize a recycling clean-up in your home and recycle the material responsibly
 - I.e. Bring old tires to a 4R Depot, bring e-waste to a drop off location
- Educate your family members and friends about recycling and why its important
- Host a clean-up in your community or school
- Start a recycling program in your school
- Educate your classmates about recycling
- Participate in an eco-friendly/recycling club at your school (or start one!)

PART 2 - GET CREATIVE!

Show us how you've improved recycling by expressing it in a creative way! Here are some options:

- Write a short story (under 1,500 words)
- Write an essay (under 1,500 words)
- Film a video (under 3 minutes)
- Take pictures for a photo essay (max 10 photos)
 - Note: Must have accompanying text that gives background information about essay (max 500 words)
- Submit a PowerPoint presentation (max 25 slides)
 - Note: If a student's presentation is being considered for a prize they must give a presentation (via Skype or in-person) to further explain their entry

Send us your completed entry by April 30, 2019 to info@simplyrecycle.ca. Good luck!
